2. The PPM Settlement is the product of extensive, good faith, arms’ length negotiations between the Parties and their respective representatives.

3. PPM shall have a single allowed claim (as defined in 11 U.S.C. § 101(5)) against the Debtors in the aggregate principal amount of \$20,800,674 (the “**PPM Claim**”).

4. The Debtors stipulate that the PPM Claim is secured by the PPM Liens, including those certain mechanics’ liens attached to that certain *Notice of Perfection of Mechanic’s Lien of Priority Power Management, LLC* (Docket No. 412) and that certain *Notice of Perfection of Mechanic’s Lien of Priority Power Management, LLC* (Docket No. 413), which mechanics’ liens are valid, properly perfected, non-avoidable, first-priority security interests in, and mechanics’ liens on, substantially all of the Debtors’ real property at the Facilities.

8. Within five (5) calendar days of the entry of this Order or as soon thereafter as is practicable:

(a) The Debtors shall reimburse PPM in cash for attorneys' fees and out-of-pocket expenses up to \$85,000;

(b) PPM shall deliver to the Debtors (i) final lien waivers (which lien waivers shall be unconditional) in form and substance acceptable to the Debtors for all work performed at the Facilities and all goods, labor and materials supplied to, for or in connection with the Debtors or the Facilities duly executed by PPM and each subcontractor of PPM; (ii) as-built

drawings, plan and specifications for all substations and electrical infrastructure at the Facilities; and (iii) an assignment of all warranties in respect of any equipment procured, delivered, or installed by PPM or any subcontractor of PPM at the Facilities, *provided*, that PPM shall have no obligation to guaranty or determine whether any such warranty is assignable by its terms; and

(c) The Parties shall execute and enter into the amended and restated EMCSA and the New Agreements, each of which shall be effective as of the date of entry of this Order. The second anniversary of the date of entry of this Order shall be inserted as the termination date in each of the amended and restated EMCSA and the New Agreements.

9. Pursuant to sections 105(a) and 363 of the Bankruptcy Code, and to the extent applicable, section 365 of the Bankruptcy Code and Bankruptcy Rules 6004, 6006 and 9019, the EMCSA, as amended and restated as set forth in the Motion, is hereby assumed as of the date of the entry of this Order. The Debtors are further authorized, but not directed, to take any actions required to effectuate the assumption of the EMCSA, as amended and restated. Cure costs, to the extent there are any, are fully released and discharged in the PPM Settlement.

10. The Debtors have provided adequate assurance of future performance under the EMCSA, as amended and restated, to the extent required pursuant to section 365(b) of the Bankruptcy Code.

11. The Debtors are authorized, but not directed, to enter into the New Agreements. The Debtors are further authorized, but not directed, to take any actions required to enter into the New Agreements.

12. To the extent applicable, the automatic stay pursuant to section 362(a) of the Bankruptcy Code is hereby lifted solely for purposes of implementing the Settlement

Agreement, assuming the EMCSA, as amended and restated, and entering into the New Agreements and not for any other purpose.

13. PPM will provide information to the Debtors during the pendency of these chapter 11 cases to assist with any marketing and/or sale of the Facilities by the Debtors.

14. The Debtors shall introduce PPM to any acquiror of assets at the Facilities so that PPM may discuss with such acquiror entry into an exclusive energy management and consulting services agreements with PPM, with customary terms reasonably acceptable to PPM.

15. Except to the extent truthful and required by law, neither PPM nor the Debtors shall make statements or representations, or otherwise communicate, directly or indirectly, in writing, orally, or otherwise, or take any action which may, directly or indirectly, disparage the other Party or any of its subsidiaries or affiliates or their respective officers, directors, employees, advisors, businesses, or reputations.

16. Notwithstanding anything to the contrary in the *Final Order (I) Authorizing the Debtors to (A) Obtain Senior Secured Non-Priming Superpriority Replacement Postpetition Financing and (B) Use Cash Collateral, (II) Granting Liens and Providing Claims with Superpriority Administrative Expense Status, (III) Modifying the Automatic Stay and (IV) Granting Related Relief* (Docket No. 608) (the “**DIP Order**”), as adequate protection and in exchange for the Debtors’ transfer to PPM of their interest, if any, in the equipment on Annex A to this Order (the “**Equipment**”) free and clear of all liens and encumbrances, the Prepetition Agents (as defined in the DIP Order) (in the same priority as the Prepetition Secured Notes Liens (as defined in the DIP Order)) shall be deemed to have a lien with the same rights and priorities afforded to the Prior Senior Liens (as defined in the DIP Order) for the benefit of the Prepetition Secured Noteholders (as defined in the DIP Order) on the Facilities in an aggregate amount equal to the value of the

Prepetition Secured Noteholders' interest in the Equipment, if any, immediately prior to entry of this Order (which shall be agreed to among the parties or determined by the Court) (such lien, the "**Adequate Protection Lien**"). The Adequate Protection Lien shall, solely with respect to the Facilities, have the same rights and priorities as the PPM Liens (to the extent the PPM Liens have priority over any other Prior Senior Lien) (which, together with certain other liens comprise the Prior Senior Liens, as set forth in the DIP Order); provided however, (i) the Adequate Protection Lien shall not be subject to any defenses the Debtors and their estates have against the PPM Liens and (ii) the Adequate Protection Lien shall be subject to any defenses the Debtors and their estates have against the Prepetition Agents' liens in the Equipment, if any, subject to the DIP Order. To the extent that there is a dispute concerning the value of the Prepetition Secured Noteholders' interest in the Equipment, if any, for purposes of determining the amount of the Adequate Protection Lien, such dispute shall be resolved by the Court. With respect to the Adequate Protection Lien, nothing contained in this Order shall be construed as a waiver or limitation of any rights or remedies of any party under the DIP Order or otherwise.

17. The Debtors are authorized to enter into, perform, execute, and deliver all documents, and take all actions, necessary or appropriate to immediately continue and fully implement the PPM Settlement and carry out the relief granted in this Order. The Debtors and PPM shall do, execute, acknowledge and deliver all such further acts, instruments and assurances and take all such further action as shall be necessary or desirable to fully implement the PPM Settlement, carry out the relief granted in this Order and fully consummate and effect the transactions provided for in this Order.

18. Debtors' creditor, Condair Inc. ("**Condair**"), furnished equipment and specially fabricated materials for the Cottonwood Facility. Similarly to PPM, Condair has filed

and asserted mechanics liens against the Facilities. For the avoidance of all doubt, Condair is not a subcontractor of PPM and nothing contained in this order shall in any way impair or affect Condair's rights in the Facilities or Condair's claims against the Debtors. The Debtors' rights to object to the validity or amount of Condair's asserted liens are reserved.

19. Except as set forth in this Order, nothing contained in the Motion, this Order, or any actions taken by the Debtors pursuant to the relief granted in the Order shall be construed as: (i) an admission as to the validity of any claim against the Debtors, (ii) a waiver or limitation of the Debtors' rights under the Bankruptcy Code or any other applicable law, or (iii) an approval of an assumption of any lease, sublease, or contract pursuant to section 365 of the Bankruptcy Code except as explicitly set forth herein.

20. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the requirements of Bankruptcy Rule 6004(a) and the Bankruptcy Local Rules are satisfied by such notice.

21. The Debtors and PPM are authorized to take all steps necessary or appropriate to carry out the relief granted in this Order. To the extent that there is any inconsistency between the Term Sheet and this Order or between the Motion and this Order, the provisions of this Order will govern.

22. Notwithstanding the provisions of Bankruptcy Rule 6004(h), this Order shall be immediately effective and enforceable upon its entry.

23. This Court shall retain jurisdiction to hear and determine all matters arising from or related to the implementation, interpretation, or enforcement of this Order.
